Water was piped to the Community Gardens in 2020, and the site now features an unlimited water supply that may be used free of charge. Gardeners may bring their own hose to attach or fill their own buckets.

Total Payment enclosed: _____

WEST SIDE COMMUNITY GARDENS

Rules and Waiver

1. All plantings shall be annual only.
2. Garden hours follow park hours from May 1 to November 1.
3. Dogs are not allowed in the garden area and must be leashed if they are elsewhere on the property.
4. Temporary fencing is suggested to control nuisance animals. Animal traps and/or poisons are **not** allowed.
5. All trash must be removed from the site.
6. Plots must be completely cleaned of all debris and structure (fencing, arbors, cages, decorations) by the end of the season.
7. Damage to other property or vegetation (nearby trees, etc.) will not be tolerated.
8. Garden plots shall not have excessive weed growth. If complaints are received, gardeners may be prohibited from renewing a plot for the next season.

I, the undersigned, understand and agree to abide by the above rules. I also understand the Village of Howard is not responsible for any lost or stolen materials or products. I am responsible for protecting my garden from animals and weather conditions and will not hold the village responsible. I release the Village of Howard, its employees and other participants from any liability for injuries and damages sustained while participating in the Community Garden program. I understand violation of Community Garden rules may result in dismissal of the program.
